

CULTURALS

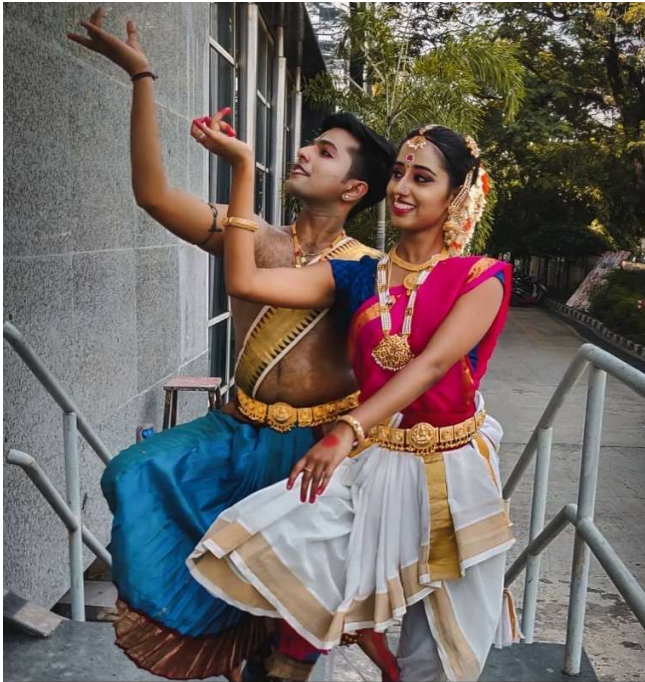

ESIC Medical College, Bengaluru, sponsors and co-sponsors cultural events, designed to expand interest, widen social circle and build leadership skills. We firmly believe beyond demonstrating one's interests and individuality, extracurricular activities prove one's ability to make meaningful contributions, maintain a commitment, and manage time and priorities.

The student committee is actively involved in organizing several events throughout the year. The 'Freshers' Day' provides an opportunity and stage to the new batches to showcase their talent. The annual intra-collegiate cultural and sports event 'ADVAYA' brings a team spirit for each batch of the medical college, where they compete for the overall cultural and sports trophy. 'ADVAYA' hosts both on-stage and off-stage events in the field of fine arts, literary and sports events. Apart from these events, the students also have the opportunity to represent the home college in various state and national cultural events.
